

# Greenbuild Scholarship Application

**Greenbuild is the world's largest conference and expo dedicated to green building.** Thousands of people from all over the world come together each year at Greenbuild for three days of outstanding educational sessions, renowned speakers, green building tours, a 1,800 booth exhibit hall and networking events. The U.S. Green Building Council has developed a Greenbuild scholarship program to expand the conversation. The Arizona Chapter is looking for those who have demonstrated a commitment to sustainability, plan to have future involvement in the green building industry and will bring knowledge from Greenbuild back to work within the chapter. Scholarship recipients will receive one full-conference registration package to attend the 2009 Greenbuild International Conference and Expo in Phoenix, Arizona, to be held November 11 - 13, 2009.
